COVID-19 VACCINE FACTS

Virtual Program

Do you have questions about the vaccine or aren't sure if it is right for you? Join Dr. John Brooks, Infectious Disease Specialist and Chief Medical Officer at McLaren Port Huron, as he discusses facts about COVID-19 and the vaccine.

Dr. John Brooks

Please send in any questions you may have before the event. Email questions to mphoutreach@mclaren.org.

This virtual program is free, and registration is required. Registered participants will be emailed the link to the presentation a week prior to the program.
