# COMMUNITY RESOURCE FAIR

July 14<sup>TH</sup>  
2021

Due to the ongoing COVID-19 pandemic, the St. Clair County Community Resource Fair will operate **as a drive-thru event** this year. Participants will be able to drive through and receive food from the Mobile Food Pantry, personal care items, resource bags with information from area organizations, and COVID vaccines, if they choose. While this event will look very different than Resource Fairs of the past, our goal remains the same to put **vital resources and supports in the hands of those who need them most.**

There are **three ways** our vendors, volunteers and supporters **can get involved this year:**

- Organizations can provide flyers, information or goodies to include in the resource bags (500 ct. needed)
- Organizations and businesses can purchase ad space in the Resource Guidebook that each participant
- Volunteer during the event - **Contact Shari Stoneburgh at [sstoneburgh@bwcaa.org](mailto:sstoneburgh@bwcaa.org) or (810) 455-6539**
