Brief Description:

Assist with food, housing/rent, utilities (DTE, Semco, and Water), after school and summer programs, crisis assistance, and substance abuse treatment.

We also have a program called The Salvation Army Pathway of Hope which is an initiative that provides individualized services to families with children who desire to take action to break the cycle of crisis and vulnerability that repeats generation after generation. It seeks to address the root causes of poverty in addition to The Army's history of compassionate serving. By helping families overcome challenges like unemployment, unstable housing, and lack of education, we can lead families down a path toward increased stability and, ultimately, self-sufficiency.
