

# A Fresh Start With The Clean Slate Program

## You May Qualify For Free Expungement Assistance

New expungement legislation in Michigan takes effect this year, significantly increasing the number of individuals who are now eligible to have their criminal convictions removed from public records.

You may qualify for this free expungement assistance through the Macomb/St. Clair Michigan Works! (M/SC MW!) Clean Slate Program. For persons who have criminal records, expungement opens the door to better jobs, better housing, and educational opportunities – a better quality of life.

Specific documentation about your felony or misdemeanor will be reviewed and, if it meets the eligibility criteria, the M/SC MW! Clean Slate Program will help you expunge your record. Take the first step and complete our online Request for Expungement Services form today!

## What Is Your Expungement Eligibility?

Convictions that cannot be expunged from a criminal record include:

- Felonies that carry a maximum punishment of life in prison
- Attempt to commit a felony for which the maximum punishment is life
- Felony domestic violence (if the person had a previous domestic violence misdemeanor)
- Child abuse
- Most criminal sexual conduct offenses
- DUIs and traffic offenses causing injury or death
- This is a statewide program and applicants should apply in their county of residence.

## What's The Next Step to Expungement?

You must complete the online application, please allow up to 3 business days for a M/SC MW! Clean Slate Pilot Program representative to contact you with more information on your eligibility and/or next steps. Requests will be reviewed in the order they were received.
