**OR**

Allison Arnold, Library Director  
St. Clair County Library System  
[aarnold@sccl.lib.mi.us](mailto:aarnold@sccl.lib.mi.us)

### **Free KN95 Masks Available**

The St. Clair County Health Department (SCCHD) in partnership with the St. Clair County Library System has **free** adult KN95 masks available for the public (while supplies last) at all [St. Clair County Library branch locations](#) and the [St. Clair County Health Department](#), main office. Pick up times are during regular business hours. Limit three masks per person.

As COVID-19 continues on with the presence of the highly contagious Omicron variant, getting vaccinated and boosted, as well as wearing a [well-fitting mask](#) over your mouth and nose in indoor public settings or crowds is crucial to protect yourself and others from COVID-19.

Free KN95 masks have been made available throughout Michigan as part of the state's **Mask Up, Mask Right** campaign. Find additional distribution sites at [Michigan.gov/MaskUpMichigan](https://Michigan.gov/MaskUpMichigan) or call (888) 535-6136.

Email COVID-19 questions to [covid19@stclaircounty.org](mailto:covid19@stclaircounty.org) or call (810) 966-4163. For more COVID-19 information visit the health department website [www.scchealth.co](http://www.scchealth.co) and social media @scchdmi.
